

Marshall Saunders

When spunky 'Tilda Jane isn't allowed to keep her beloved dog with her at the orphanage, she decides to set out on her own in search of a home where the inseparable pair will be accepted. Throughout her weary travels she encounters many people, both rich and poor, kind and cantankerous -- but will she ever find family? Set in the Canadian wilderness and coast of Maine, *'Tilda Jane* is a story of true grit, forgiveness, and unlikely friendship. (Summary by Twinkle)
